

**EVER FLOW RIVER GROUP
PUBLIC CO., LTD.**

OUR ORIGINS

Established in 1998 by our Chairman, Mr. Kyaw Lwin Oo, E.F.R. began as a customs clearance agency. With over 35 years of experience in the logistics industry, Mr. Kyaw Lwin Oo built his career as a customs clearance agent before advancing to become the operations manager of the first Myanmar Container Line.

Through his deep expertise and extensive network of international freight forwarders, shipping agents, and logistics partners, Mr. Kyaw Lwin Oo successfully diversified E.F.R. into a group of companies, positioning us as a key player in the logistics and supply chain industry today.

EFR Glink

E.F.R G-Link Express Services Ltd. is a leading subsidiary of the E.F.R Group, specializing in 3PL and 4PL logistics with a strong international presence. The company is renowned for its expertise in special project cargo handling, customs clearance, and freight forwarding, establishing a robust reputation and loyal client base. E.F.R G-Link pioneers LCL consolidation for garments and general cargo, efficiently managing ex-works processes. Their specialized export services focus on the EU for garments and rice, India for beans, and cross-trade routes from China to Russia and Cambodia to the EU, ensuring reliable logistics solutions.

A Logistics

A Logistics Co., Ltd., established in July 2020, is a joint venture between Ayeyar Hinthar Holdings and Unison Choice Services (an E.F.R Group subsidiary). Managing the Ayeyarwady International Industrial Port (AIIP) in Patheingyi Industrial Park, the company offers comprehensive logistics solutions, including warehousing and container services. Recent expansions include local transportation across Myanmar using its own trucks and export shipments to Thailand via barge. These services enhance the company's ability to handle all logistics aspects, transportation to customs clearance and delivery.

EFR LDC

Ever Flow River Logistics and Distribution Center (E.F.R LDC Mdy), under the E.F.R Group, is a logistics project with MIC approval since 2022. It offers comprehensive services including freight forwarding, customs clearance, warehousing, and trucking for domestic and international markets, specializing in seasonal cargo like agricultural products, garments, and medicines. E.F.R LDC Mdy has also expanded door-to-door FMCG delivery services and operates a depot in Yangon, providing storage, LOLO, and maintenance for shipping lines. The company is committed to quality and reliable logistics solutions.

MEL

Myanmar Elite Logistics (MEL), a joint venture under Ever Flow River Group since 2019, expanded globally in 2022 to provide comprehensive logistics solutions: Multi-Media Transportation, Cross-Border Services, Postal Services, and Custom Brokerage. MEL's multi-modal transport streamlines sea, air, and land routes for efficient deliveries, while Cross-Border Services facilitate seamless regional trade with expert customs handling. Postal Services cater to e-commerce and personal shipments with secure, trackable options, and Custom Brokerage ensures fast, compliant customs clearance. With a dynamic team, MEL merges local expertise with global reach for tailored logistics support.

MES

Multipack Engineering Services Limited (MES), a subsidiary of EFR Group, specializes in container transportation, stevedoring labor, and CFS bonded warehouse activities. MES also provides engineering services, including civil engineering, telecom projects, garment-on-hanger construction, and land leveling. Additionally, MES offers project feasibility studies, management, and consulting. With a strong focus on customer satisfaction, the company has become a trusted partner for large businesses in Myanmar.

MRTW

Myanmar Round the World Logistics Ltd. (MRTW Logistics), a subsidiary of E.F.R., specializes in domestic and international logistics, with a strong focus on air freight services. Partnering with top global airlines such as Saudia Airline (SV), ANA, Etihad, Korea Air, and others, MRTW Logistics serves as a cargo sales agent for various airlines. The company primarily caters to garment merchandisers in Japan, Europe, and the USA, ensuring efficient and reliable logistics solutions.

UCS

Unison Choice Services Ltd. (UCSL), a subsidiary of E.F.R Group, has been a key logistics provider for the global textile and garment industry since 2012. Specializing in short-haul trade across Asia and sea freight, UCSL offers tailored logistics solutions. In 2023, UCSL expanded with door-to-door delivery services for the retail market and secured strategic contracts with branding clients. The company also provides Container Freight Station (CFS) services for cargo to the EU and operates refrigerated trucks for distribution.

Compliance and Governance

As a Yangon Stock Exchange-listed company, EFR Group is committed to upholding the highest standards of corporate governance and compliance. Our governance framework ensures that we are:

Commitment to Shareholders

- We prioritize transparency, ethical practices, and responsible decision-making to protect shareholder interests.
- Our goal is to continually improve business operations, maximize shareholder value, and ensure timely dividend payments.

Adherence to Regulatory Standards

- EFR Group strictly complies with all regulatory requirements set forth by the Yangon Stock Exchange and other relevant authorities.
- We maintain a strong internal compliance team to ensure ongoing adherence to industry regulations, corporate policies, and legal standards.

Corporate Responsibility and Ethical Practices

- We integrate corporate social responsibility (CSR) initiatives and sustainability practices into our operations.
- Ethical governance is at the core of our business, ensuring long-term growth that is fair, transparent, and responsible.

Board of Directors and Accountability

- Our Board of Directors plays a pivotal role in overseeing the company's governance and risk management strategies.
- We maintain an open line of communication with shareholders and stakeholders, ensuring accountability and transparency in all business operations.

Risk Management

- EFR has implemented comprehensive risk management processes to mitigate financial, operational, and regulatory risks.
- Regular audits and assessments ensure that we identify and address any potential risks, safeguarding the company's future and its stakeholders' interests.

CSR INITIATIVES

2024

On 8 October 2024, E.F.R extended its community support by reaching out to the flood victims of Buu I, Phayar Gone, Ya Thae Sate, Thapyae Gone and Zee Phy Tann villages in Naypyitaw. In response to this devastating natural disaster, our team mobilized to provide essential aid and support, affirming our commitment to community welfare and resilience. This initiative is a testament to our ongoing dedication to corporate social responsibility, as we stand with those in need during critical times.
